

Week Beginning June 10th
This half-term our topic is; 'Minibeasts'

Literacy

In our phonics sessions we will be recapping on level 3 sounds and level 4 adjacent constants. We will be practising reading words and sentences with these.

For our writing this week we will be writing a dictated sentence about bees. We will be remembering the words in our heads and segmenting the sounds to spell each word.

Mathematics

We will be recapping our learning including recognising numbers, number bonds to 5, comparing quantities, odd and even numbers and doubles.

Understanding the World

We will be learning all about Bees. We will be finding out all about where these amazing minibeasts live and learning lots of interesting facts.

Key Vocabulary

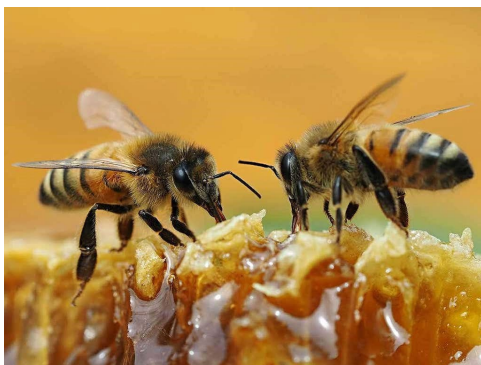

Minibeast - A small creature without a back bone

Insect - A creature that has 6 legs, 2 eyes & often has wings

Habitat - A natural home of an animal

Environment - The world in which we live

Non-fiction - An information book that tells us about things

On Friday we will setting off on our trip to the Tropical Butterfly house. We will be learning lots of new information about different minibeasts.
