

7th June 2024

Ecclesall Woods Local Trip

Tuesday, 2nd July – Dolphins
Thursday, 4th July – Seals
Friday, 5th July – Blue Whales

Dear Parents/Carers,

On the above dates Year 1 will be going on a local walk through Ecclesall Woods.

We will be leaving from school in the morning and walking down to Ecclesall Woods via the top entrance on Abbey Lane. We will then walk through the woods focusing on signs of summer and they will complete a range of activities on the way through to the Discovery Centre. They will eat lunch when we arrive (outside - fingers crossed for sunny days) and then in the early afternoon they will make a den for the animals before we walk back to school.

Lunch

Please log on to Parentpay **before Monday, 17th June 2024** to order your child a school sandwich or confirm that they will bring their own packed lunch. They will also need a water bottle and can bring extra snacks. Please ensure there are no kiwis or nuts of any variety due to allergies and remind your child that these are snacks for themselves only and not for sharing with friends. Please ensure your child has a rucksack so they can carry all of this in.

Clothing

We will be spending all day outside in the woods, please check the weather forecast and send your child in appropriate clothing. Please make sure your child has comfy shoes on (sturdy trainers/walking boots no open toe shoes or sandals) and if wet, they are waterproof.

Adult helpers

As this is a local walk we would love to welcome as many parent/carer/grandparents to join us. Please speak to the class teacher and they will sign you up.

Thank you.

Mrs Whiter, Mr Webber, Mrs McManus and Mrs Hanif
