

STARTER MUSIC GROUPS

LET'S MAKE MUSIC!

Ages 5 - 7 Thursdays 4.30-5.15pm - Red Tape Central

Let's Make Music is an informal and fun music group for ages 5-7 in a relaxed and welcoming environment. We explore the basic elements of music such as rhythm, pulse and pitch through song, percussion, action games and creating our own music. Learning about these provides a strong foundation for taking up an instrument at a later stage - playing music is a gift that can last a lifetime and there's no better time to start than when young!
