Dear Parents/Carers,

Re: Y6 Relationships and Sex Education Curriculum

We are just writing as a courtesy to inform you that the Y6 children will soon be covering the statutory RSE curriculum about puberty and growing up. This will be revisiting the material and discussions from Y5. For your information, this will include looking at the book, "How did I begin" by Mick Manning & Rita Granström as well as viewing a range of videos including 'Girl Talk / Boy Talk' and the 'Operation Ouch' material on puberty from BBC Bitesize. They will also have the opportunity to ask further questions.

Once again, the boys and girls will be split into two groups for these sessions.

Kind regards,

Y6 team
