

Week Beginning July 8<sup>th</sup>  
This half-term our topic is; 'Minibeasts'

Literacy

In our phonics sessions we will be recapping on all aspects of Level 3 and Level 4. We will be practising reading and writing words and sentences. We will also be playing a range of interactive games to consolidate our learning.

Mathematics

We are practising addition and subtraction using a number line to help count on or back to find the answer. We will be looking at the symbols and working out which way we need to jump on a number line to add or subtract.

Understanding the World

This week we will be reviewing our Minibeast topic and looking back at all the wild and wonderful facts we have learnt about Minibeasts.

Sports Day

Sports Day will be on Friday afternoon 1.30-3 pm. Please see separate letter for more details.

BUG BALL

**Weds 17th July** is our Bug Ball celebration.

Please come dressed as your favourite bug or wear brightly coloured clothes, we hope to have a BUG-tastic day! We will spend the day carrying out a number of minibeast related activities as well as dancing, playing games, sharing minibeast stories and poems and enjoying a special celebratory snack together.
