

Week Beginning 30th September 2024

This half-term our topic is 'Happy Children, Happy School'

Literacy

This week in phonics we will recap the sounds /s/a/t/p/ from last week and we will be learning the grapheme phoneme correspondence /i/n/m/d/. We will practise orally blending and segmenting the sounds in simple words.

Mathematics

We will be doing our maths moments in the morning, where we count all the children and update our calendar each day and our number of the week is number 3.

Understanding the World

We will be talking about where we live, the rooms we have in our house and what we do in each of the rooms.

Don't forget we've got National Poetry Day

Thursday 3rd October

Our guest Poet for the day will be Conrad Burdekin.
He will visit every class and our focus will be Nursery Rhymes.
