

26th September 2024

Dear Parents/Carers,

Reminders

Food Tasting Afternoon

Friday, 4th October – food tasting afternoon. Please see letter dated Friday, 13th September.

See Google Classroom for allergy information on Wednesday, 2nd October after the ingredients have been bought. Please speak to child's class teacher if you have any concerns.

Homework

Just a reminder that homework is put on Google Classroom on a Friday. The children have a week to complete it. All logins are in the back of Reading Records. We would appreciate it if you could support your child with this. Generally, the homework is to consolidate learning from class.

We would appreciate it if your child read 4 times per week with an adult. On a Friday, children will get a Fab Four sticker on their bookmark if this is completed and recorded.

Thank you for your support.

Y3 Team
