

Week Beginning 25th September 2023

This half-term our topic is 'Happy Children, Happy School'

We hope the children are continuing to enjoy their days in school. We are very pleased to see how quickly they have settled into the school routine!

Literacy

This week in phonics we will be learning the grapheme phoneme correspondence /s/a/t/p/. We will practise orally blending the sounds in simple words.

We will start our 'house book' activity, drawing all the members of our family, including our pets, and perhaps writing our name!

Mathematics

We will be doing our maths moments in the morning, where we will be talking about the days of the week and will update our calendar each day.

Understanding the World

We will be talking about who is in our family and what our families are like. We will be sharing our family photos and listening to our friends talk about their family. We will be sharing our front door photographs and talking about the kind of house we live in.
