

Hello,

My name is Steph and I run 'Mini Musicians', a music club for Key Stage 1 children.

In our sessions we will be doing: listening, responding, singing, composing, notation and performing together. We will learn about lots of different music genres, from classical to pop! These are all elements of the Key Stage One Music curriculum.

We will learn how to play tuned and untuned instruments together.

'Mini Musicians' sessions are music-based and are designed around the music curriculum. Most importantly, though, they are relaxed and FUN! No prior musical knowledge is required. They are run by a qualified primary school teacher and music lead.

After October Half Term, Mini Musicians will be coming to Ecclesall Primary School on Wednesdays straight after school until 4.20pm. They will cost £5.50 per child, per week and bookings will be taken for the whole half term (£38.50).

The cost for the club next half term will be £38.50 per child, payable before the sessions begin.

If your child is interested in joining us, please **register their interest as soon as possible** by sending an email to:

minimusicianssheffield@outlook.com

In your email please include:

- **School name**
- **Child's name**
- **Teacher's name**
- **Year group**
- **Any links to siblings who may also wish to attend (eg if you have siblings in Y1 and Y2 who both wish to attend)**
- **If your child has SEN or any medical requirements (for planning purposes)**

Places are limited so I will contact you by 18.10.24 to confirm whether your child has a place or is on the waiting list.

I hope to meet lots of you soon!

Kind regards,

Steph Shaw
BA (Hons) QTS Music
