

Friday 25th October

ODD SOCKS DAY

Dear Parents/Carers,

November brings with it a national focus on anti-bullying and as part of that our children will be looking at creating healthy friendships and the skills needed to recognise bullying in all its forms. In addition to this, on **Tuesday 12th November** we would like to invite the children to come to school dressed in odd socks. This is part of a nationwide event aimed at highlighting our uniqueness, individuality and the importance of acceptance.

As an extra bit of fun, we'd also like to invite you to take photographs of your pets wearing odd socks - should they oblige!

Please send them into gwillatt@ecclesall.sheffield.sch.uk where they will be showcased on our social media.

Many thanks for your support.

Kind regards
Ms Raynor
