

Date: 6th November 2024

Dear Parents and Guardians,

Children In Need: Celebrating Creativity and Community

We are excited to announce our plans for Children In Need Day at Ecclesall Primary School, taking place on **Friday, 15th November 2024**. This year's theme is **Spotacular**, encouraging a celebration of vibrant colours and patterns.

Fostering Teamwork and Individuality

Spots are more dazzling when there's a whole bunch of them together. Just like spots, we at Ecclesall Primary are fantastic as a team! We believe in kindness, positivity, and respect - that's what makes us truly Spotacular!

Here's how we will be celebrating

On Children In Need Day, we will be:

- **Engaging in a School-wide Art Project:** Inspired by the renowned artist Wassily Kandinsky, children from all year groups will collaborate on a large-scale piece. This project will involve painting "Spotacular" circles, symbolising the unique contributions each child makes to our vibrant school community.
- **Dress to impress:** We encourage your child to wear their most Spotacular outfit! Be it a splatter-painted masterpiece, a garment adorned with polka dots, or anything else that sparks their imagination, let their individuality shine! The more creative, the better!

Supporting Children In Need

Children In Need plays a vital role in supporting disadvantaged children across the UK. If you would like to make a donation, you can easily contribute online at: <https://donate.bbcchildreninneed.co.uk/>

We can't wait to celebrate our Spotacular school spirit with your child on Children In Need Day!

Kind regards,

The Ecclesall Primary School Team
