

I am delighted to let you know that 'Mini Musicians' will be returning to Ecclesall Primary School after Christmas.

We have had a super time, this half term, covering a variety of musical elements in a fun way! We have played: Boomwhackers, handbells and untuned percussion instruments. We have listened to a wide range of musical genres from classical to pop. We have learnt about famous composers, moved in time to the beat and used our bodies as percussion instruments! But mostly, we've had FUN!

'Mini Musicians' sessions are music-based and are designed around the Early Years and KS1 music curriculum. They are relaxed and no prior musical knowledge is required. They are run by a qualified primary school teacher and music lead.

The sessions are on Wednesdays straight after school until 4.20pm. They will cost £5.50 per child, per week and bookings will be taken for the whole half term (£33.00).

The cost for the club next half term will be £33.00 per child, payable before the sessions begin.

If you would like your child to join us after Christmas, please **register their interest as soon as possible** by sending an email to:
