Parent Partnership Policy

2024-25

Introduction

Ecclesall Primary School values the unique insight that parents can provide into their children's learning and acknowledge that learning begins and continues in the home environment.

By working in close partnership with parents, we seek to nurture in the children the development of trust, respect, confidence, independence, self esteem and the desire to learn.

We plant and nurture the seeds of possibility in all of our children within a safe and secure school family.

Aims

- To communicate fully with parents to ensure that we all (parents, children, staff) have the same purpose in mind – the needs, development and progress of the children.
- To involve parents fully in school life and the school community.
- To operate a welcoming approach that encourages the fullest possible two-way communication between staff and parents.
- To work in close co operation with parents in order to ensure high standards of care and academic achievement for all of our children.
- To provide an environment inclusive for all parents and their children, regardless of need, background or culture.

Parents are welcomed into the school at *mutually* convenient times to learn more about their children's progress and to celebrate their successes. There are numerous opportunities throughout the year (both formal and informal) to meet together and get to know each other. Meetings are arranged at a variety of different times to enable as many parents as possible to attend.

Formal

- Induction events for new parents (including a coffee morning, information café, sports day etc).
- Tours of the school for all new and existing parents to see the school at work and get to know the geography of the building delivered by Y6 Pupils.
- Initial welcome meeting in September to provide parents with information for the coming year, advice on the curriculum and events during the year ahead through an early Parents' Evening.
- Parent Consultation meetings in October, February and June to provide parents with up-to-date information on their children's progress and set targets.
- Meetings to discuss evaluate and update Individual Education Plans for children with special educational needs.

Informal

These include:

- A variety of assemblies and presentations.
- Harvest, Christmas, Easter and Summer productions.
- Cheese and Wine, Curriculum Evenings
- Educational visits
- Sports Events
- Choir and Music Concerts

Communication

We are continually updating and improving our communication systems. Currently, parents receive regular updates from the school including:

- Regular newsletters and information letters

- Regular updates on Facebook and Twitter
- Curriculum information
- Annual Progress Reports in July.
- Notice boards on windows – to be developed across outside areas.
- Regularly updated website
- Home School Agreement
- Group and one to one meetings
- Electronic screen in welcome area –main entrance

Opportunities and support for parents

The school seeks to ensure all groups of parents/carers connected with the school are aware of training and enrichment opportunities available in the school and in the community, by:

- Informing parents about adult learning courses (Family Learning) in Sheffield College.
- Offering positive parenting sessions.
- Offering leaflets and guidance on specific areas of the curriculum, e.g. reading, to enable parents to support children at home.
- Developing opportunities for parents of children with special educational needs to meet to share experiences and learn more about available support.
- Opportunities for parents to complete NVQ Level 2 and 3 and HLTA Foundation Degree.

We also seek to support those parents who work by offering an extended school provision, for example:

- Breakfast club
- After School Club
- Activity clubs (Gymnastics, dance, football, multi-sports, etc)
- Sign posting to Summer schools

Policies

We seek to ensure that all relevant school policies are effective and easy to read by parents. Our policies are available on our website. Translations can be provided when required.

Transition

We aim to provide support and resources to help parents make informed decisions about choices and transitions to other institutions, by:

- Providing impartial guidance on transition to parents and pupils.
- Supporting parents with the procedures for applying for secondary schools,
- Identifying the SENDCo as the link to other agencies and resources.

Home/School Partnership

We believe that a strong home/school partnership is key to children's emotional development, progress and growth as part of the community. We encourage parents to support their children's learning at home in a variety of ways, including:

- jointly signing the Home/School agreement
- reading with children as often as possible
- visiting the library together
- encouraging children to complete and return promptly any homework they have been given
- checking and signing their Reading Records on a regular basis and as a means of contacting teachers
- supporting our rules and expectations.

Parental Feedback

The school will regularly seek parental views on a range of topics affecting pupils' education through questionnaires, surveys and verbal discussion. Feedback is valued, and responses are seriously considered and appropriate action taken.

Parents Governors

Parent Governors represent the views of parents and communicate ideas, issues and concerns to the Head teacher and to the Governing Body. Relevant information is, in turn, communicated back to the parents.

We are committed to the highest possible level of Partnership and are always open to new suggestions on how we can improve.
