Dear Parents/Carers

Elite Karate Centres

We have been lucky enough to have been invited to give the children at Ecclesall Primary School a taste of what we do in our Karate before School Classes. Their enthusiasm has made them a joy to teach.

Should you find your child comes home with a newfound passion for Karate, eager to learn more then, our classes are for the Juniors and are every Tuesday morning 7.30-8.30am.

If you would like your child to attend, or want further information, please contact me via the below email or contact number.

I look forward to seeing some new faces in our classes very soon.

Kind regards

Steve & Sam
