

Friday, 13th June 2025

Dear Parents/Carers,

Please note that your child will need to be supplied with a **packed lunch** for the Monday of our residential, as the YHA only provides our evening meal on that day. A drink in a reusable and labelled container should also be brought. As always, we ask that you do not include any nuts or foods with nuts in them for the safety of all of our children. The YHA has its own water station that the children can use freely.

Kind regards

The Y6 team
