Neurodiversity Sheffield Early Help Drop-in

- Is your child waiting for a diagnosis of neurodivergence?
- Do you need advice or support around behaviours in your child which might indicate neurodivergence?

Come along to our special summer drop-in at Graves Park Animal Farm - children are welcome!

There will be a range of fun activities available for children to enjoy while parents/carers receive support, advice and information from **Neurodiversity Sheffield** and our partners.

Various hot and cold refreshments should be available to purchase from Graves Park café, or you could bring your own.

Please note that parents and carers are responsible for the care of their children at this event.
