

Mayor's Walk and Wheel Challenge 2026

18 - 22 May

A couple of years ago, I made a big commitment: that we would make South Yorkshire the best place in the country for kids to walk, wheel and cycle.

Over the last two years, you've been incredible. Thousands of pupils from more than 220 schools have taken part in my Mayor's Walk and Wheel Challenge. You've shared brilliant photos, inspiring stories, and I've had the joy of meeting many of you in your classrooms.

But we're not stopping here.

Schools are at the heart of our plan. Every child deserves to feel safe walking to school, playing outside, or heading to the park. That's why we're gearing up for the next Walk and Wheel Challenge in 2026, delivered in partnership with Living Streets' Walk to School Week.

Sign your school up, keep walking, biking or scooting – and you could win fantastic prizes.

By moving more and moving differently, together we can make South Yorkshire healthier, safer and happier for everyone.
