

I am delighted to let you know that 'Mini Musicians' will be returning to Ecclesall Primary School after February half term.

In the sessions we will be playing:

- Boomwhackers,
- handbells,
- cup drums
- untuned percussion instruments.

We will be **listening and responding** to a wide range of musical genres from classical to pop, learning about famous composers, **moving** in time to the beat and using our bodies as percussion instruments. But most importantly, we'll be having lots of FUN!

'Mini Musicians' sessions are designed around the Primary music curriculum. They are relaxed and no prior musical knowledge is required. They are run by a qualified primary school teacher and experienced music lead. The sessions are open to children in EYFS, KS1 and Year 3.

The sessions are on Thursdays straight after school until 4.20pm. They will cost £5.50 per child, per week and bookings will be taken for the whole half term (£27.50). Payment is non-refundable and payable before the sessions begin.

If your child is interested in joining us, please **register their interest as soon as possible** by sending an email to:
