

YR Journeys - Spring 2

How you can help at home:

- Help your child to become familiar with these words and the meanings.
- Observe features in the local environment.

End Points:

To know that a rural area is in the countryside.

To know that an urban area is a town or city.

To know that a natural feature is something that has grown.

To know that a human feature is something that is made.

Prior Learning

Future Learning

YR Autumn Term:

Recognise that some environments are different from the one we live in.

Y1:

Australia :
Compare Australia to the UK.
Name, locate & identify the 4 countries in the UK.

Key Vocabulary

Journey

Travelling from one place to another.

Transport

Used to take you from one place to another.

Destination

The place where you are going.

Environment

The places and things around where we live.

Map

A picture used to help us find our way around different places.

Urban

An area where many people live and work close together e.g. towns and cities.

Rural

An area that has few homes and buildings and not very many people e.g. countryside and villages.

Natural feature

A natural feature is something that has grown such as a tree flower or grass.

Human feature

A human feature is something that a person has made such as bench park or building.
