

6th February 2026

Dear Hedgehogs' Parents/Carers,

Just to let you know that Mrs Marlow will be having a surgical procedure on her shoulder on Monday 16th February and will be out of school after half term. Her last day in school will be Friday 13th February and she optimistically plans to return for the week beginning Monday 9th March, although this will be re-assessed nearer the time. We have tried to minimise the impact of the absence from school in terms of duration (8 days) and consistency of cover. The majority of the cover will be from either Mrs Bryan and Mrs Southern, current teachers of Y3 Foxes class and both of whom know the Y3 curriculum content well.

Please note that parents' evenings scheduled to take place on the 5th March and 10th March will be postponed for Hedgehogs class and we will rearrange appointments later on in the spring term.

We are sure that you will join us in wishing Mrs Marlow well and a speedy recovery.

Kind regards,

Emma Hardy
Headteacher
