Dear Parents/Carers

Y3/4 Karate

On Wednesday we were lucky enough to provide the Pupils at Ecclesall Primary School a taster of what we do in our Before School Karate classes. Their enthusiasm made them a joy to teach.

If you find your child has come home with a newfound passion for Karate and is eager to learn more, we have spaces at our before-school class on Tuesdays (7:30–8:30 am).

If you would like your child to attend, or want further information, please contact me via the below email or contact number.

We look forward to seeing some new faces in our classes very soon.

Kind regards

Steve
