The Iron Man

Geography:

Our Changing World

use maps and latitude, including the Equator, to find continents and oceans on Earth.

know that natural flows, like ocean currents, connect different parts of the world.

understand that Earth has diverse biomes, such as hot, wet rainforests and cold, treeless Arctic regions, where plants and animals are specially adapted.

PSHE and RSE:

Families: are all families like mine?

Families: are boys and girls the same?

RE (link with RSE):

- Good Friday and Easter Story
