Dear Parent/Carers

We are beginning to gear up for our Y6 residential to Ilam and there are a few jobs that need to be completed by you ahead of time. The first is to acquaint yourself with the Kit List which will come out along with this letter. Secondly, we'd like you to fill in a medical form through the attached link. This is for ALL children regardless of medical needs. We will also put this link onto google classroom.

<https://forms.gle/V7rZtxSJ7fLTZdTX9>

There is also a paper medical form being sent home with your child, that is specifically for the Carnegie Outdoors company. This needs to be filled in in addition to the one required for school.

And thirdly, please take time with your child to discuss and then sign the Code Of Conduct, which is a prerequisite for the trip. This will then need to be returned to your class teacher.

In the near future we will be giving the children their meal choices form for lunch and dinner, which they can complete in school. The breakfast is a buffet style but there is PLENTY to choose from. Yum!

We are looking forward to our time away and hope the children are too.

Kind regards

The Y6 Team
