

Week Beginning April 20th
This half-term our topic is; 'Growth'

Literacy

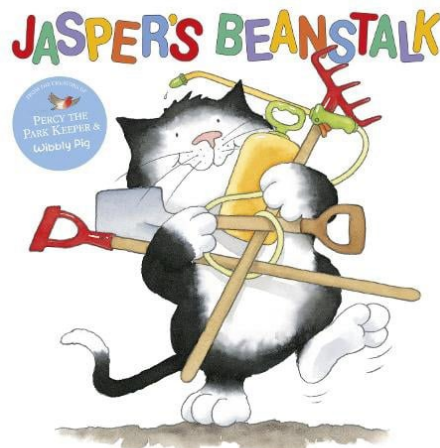

This week we will be reading Jasper's Beanstalk. We will be writing some simple sentences about the story in our writing session. In phonics we will be continuing with Level 4 where we will be reading and spelling words with adjacent consonants.

Mathematics

This week we will be sharing objects into two equal groups. We will be exploring which numbers share equally into even groups and which numbers are odd.

Understanding the World

We will be finding out about what plants need to grow. We will do an experiment to find out what a bean needs to grow and we will all be planting our own bean.

Nick Butterworth & Mick Inkpen

Key Vocabulary

Seed - a seed grows into a new plant

Water - plants need water to grow

Light - plants need light from the sun to grow

Soil - soil provides a place for plants to grow and holds water

Root - a part of a plant that attaches to the ground and takes in water
