

Week Beginning April 27th
This half-term our topic is; 'Growth'

Literacy

This week we will continue reading Jasper's Beanstalk and write some simple sentences about the story in our writing session. In phonics we will be continuing with Level 4 where we will be reading and spelling words with adjacent consonants.

Mathematics

We will continue to practically share amounts into equal groups and practise recalling our number bonds.

Understanding the World

We are going to be discussing what a sunflower seed needs to grow and planting our own seeds.

Key Vocabulary

Seed - a seed grows into a new plant

Water - plants need water to grow

Light - plants need light from the sun to grow

Soil - soil provides a place for plants to grow and holds water

Root - a part of a plant that attaches to the ground and takes in water
