

24th April 2026

Dear Parents/Carers

Abbeydale Industrial Hamlet Visit

We have managed to secure a visit to the wonderful Abbeydale Industrial Hamlet to support our Local History topic. Whilst there, we will explore the site and get a feel for life in Sheffield pre and during the Industrial Revolution.

The children will go in two groups.

Friday 8th May: Stingrays and half of Seahorses

Friday 15th May: Starfish and half of Seahorses

(A separate text for Seahorses to follow regarding groups)

We will be walking down to the site in the morning, completing a few activities, having lunch and then walking back up, where we will stop off to buy ice-cream at Ecclesall Woods. We will show the children the various ice-cream choices ahead of time and then pre-order so they are ready for us when we arrive.

Please send your child with a packed lunch (no nuts) and drink for a picnic on site and **£2** for the ice-cream (if they wish to have one). We would also ask you to keep an eye on the weather forecast and ensure that they are dressed appropriately. Please make sure they are wearing their school jumper. Comfortable footwear is essential. We will go no matter the weather conditions. Any children with medication will need to take it with them.

There is no charge for this visit, but please log on to Parentpay to give permission for your child to attend.

Kind regards,

The Y5 team
