

YR Minibeasts

How you can help at home:

- Help your child to become-familiar with these words and
- Help your child to identify minibeasts in their local environment.

End Points:

- Minibeasts are creatures without backbones such as snails, butterflies & worms.
- Minibeasts live in different habitats like logs, leaves & soil.
- Minibeasts are good for the environment.

Prior Learning

Future Learning

YR: To talk about features of our environment and the people/ animals that live within it.

Y1: Children will learn the importance of changes they can make to help our planet
