

Outdoor Learning and Lion Cub Fundraising Day – FRIDAY 12TH June 2026

Dear Parents and Carers of Ecclesall Primary School,

We are thrilled to announce a magnificent day of learning and fun

As you may already know we are great supporters of Sheffield Children’s Hospital and this year we have joined the Pride of Yorkshire Sculpture Trail with our very own Lion Cub. We have enlisted the talented Mrs Chester to help provide an intricate lion inspired tessellation pattern, which all the wonderful children of EPS contributed their colourful designs. It is with great ‘pride’ we can inform you of the location of the Lion Cub at the Glass Pavilions in the Botanical Gardens and we will be able to see it from 8th June to 7th September!

By taking part in the sculpture trail we need to fundraise and so we have created a JustGiving page.

[EPS JUST GIVING PAGE](#) - we will have collection buckets on the day too but we ask **NO CASH to be given to the office**, thank you.

Here is a table of fundraising activities and outdoor learning each year group will be doing on the day so when you donate you can give your child’s class a mention.

This day will be a huge celebration to mark the 100th Birthday of Sir David Attenborough and use his inspiration to spend the day outdoors for learning and fun in the fresh air!

So, **ALL** the fundraising activities and learning will take place in designated spaces for each year group on the school grounds.

We would like to invite all parents and carers to our Grand Finale – to hear all the children perform THE CIRCLE of LIFE at 3pm. This Spectacular will take place on the school field and all are welcome. More details will be provided closer to the date, but for now we hope you are able to come, see and hear!

We look forward to seeing you there,

Ecclesall Team
