

Week Beginning May 18th
This half-term our topic is; 'Growth'

Literacy

This week we will be practising previously learned digraphs and trigraphs and 'tricky' words' including our Level 4 tricky words. We will be using our robot arms to sound out words, making sure we hear each sound and listening out for adjacent consonants.

We will also be writing a sentence about what plants need to grow.

Mathematics

We will be continuing to recap on our number bonds of 3, 4 and 5.

On Thursday we will be taking part in National numeracy day. The children will be joining in with a maths trail, making and creating our own number system using pictures and symbols.

Understanding the World

This week we will be recapping on what we have been learning over this half term. We have learnt all about growth including how we have changed since we were babies and how plants grow.

Key vocabulary

Past, Present, Future

Balanced diet, Personal hygiene

Seed, Water, Light, Soil, Root

We hope that you all have a lovely half term holiday!
