

Friday 26th June 2026

Dear Parents and Carers of Ecclesall Primary School,

As we continue to experience periods of exceptionally warm weather, I would like to take this opportunity to thank you for your ongoing support and for the trust you place in us each day to care for your children.

The safety, wellbeing and comfort of our pupils remain our highest priorities. Throughout this hot spell, school leaders have carefully considered guidance from the Local Authority and the Health and Safety Executive to help inform our decisions and ensure that appropriate measures are in place to keep children safe.

We are also fortunate to work closely with colleagues across the Peak Edge group of schools. By sharing ideas, experiences and innovative approaches, we have been able to support one another in responding effectively to the challenges presented by the warm weather.

In school, we have continued to encourage regular hydration, make use of shaded areas where possible, adapt activities when necessary and monitor conditions throughout the day. We are grateful for your support in ensuring that children arrive at school with water bottles, suitable clothing and sun protection where appropriate.

Thank you once again for your understanding, cooperation and confidence in the school. By working together, we can ensure that our children remain safe, happy and able to enjoy their learning, even during periods of unusually hot weather.

Kind regards

Emma Hardy

Headteacher

Ecclesall Primary School
