

June 2026

Dear Parents/Carers,

As some of you are aware, we are fortunate enough to have links with a charity which regularly visits orphanages in The Philippines and have done so for many years. They have put out another request for the collection of children's/young adult's outgrown and used footwear to take over to The Philippines in the next few weeks.

You may remember that we have supported them in the past and feel this is something we would like to get behind once again.

In order to help, please drop off, in pairs, any outgrown shoes, trainers, sandals, boots which you can no longer make use of. We will have a collection box by the office ready and waiting.

Many thanks for your support. It is much appreciated.

Best Wishes

Sallyann Raynor
