Skipping Ropes

Dear Parents/Carers,

We have recently had some skipping sessions delivered by a local Skipping School for all Year 2 children. We feel this has been a great success at Ecclesall and all children have improved their skipping skills, while, most importantly, having fun doing so.

As part of these recent sessions, Skipping School would like to offer all children the opportunity to buy their own skipping rope to continue their skipping journey. The ropes come in 2 different sizes and cost £5 per rope.

If you would like to purchase one (or more), please bring the **correct cash only** to the school office before Thursday 18th June 2026.

Kind regards,

The Year 2 Team
