Dear Parents/Carers,

Thank you to everyone who has donated their outgrown and unwanted footwear in support of our friends in The Philippines. Our donation box is now closed but I am pleased to say that the boxes of shoes have now started on their 3 month sea journey towards their final destination.

For those who have asked, there is an opportunity to keep donating to this cause by dropping your shoes off at Kids Around The World on Chesterfield Road or more locally to Wooden Bunker outside 102 Union Rd, Nether Edge.

Have a lovely summer and thanks again.

Best Wishes

Sallyann Raynor
