

Friday 17th July 2026

Dear Parents/Carers

All accounts in debt need to be on zero balance for the summer break.

Please find below the cost of school dinners for the new academic year, the cost has now been increased to £3.00 per day.

School meals should be paid in advance and accounts should be kept in credit. Please take this matter seriously.

PLEASE REMEMBER TO CHECK YOUR BALANCE ON PARENTPAY, ALL DEBTS NEED TO BE CLEARED.

THE COST OF SCHOOL DINNERS IS NOW £3.00 PER DAY, THIS HALF TERM. WE HAVE 37 DAYS

If you wish to pay half termly the amount due this half term is **£111.00**

If you pay weekly: 1 day = £ 3.00	half termly for 1 day a week = £24.00
2 days = £ 6.00	2 days a week = £48.00
3 days = £ 9.00	3 days a week = £72.00
4 days = £12.00	4 days a week = £96.00
5 days = £15.00	5 days a week = £111.00

Thank you for your co-operation

Angela Nickson
School Office
