Home-School Agreement

2026-27

This agreement recognises the importance of parents, staff and pupils working together in partnership to ensure each pupil achieves educational success and personal fulfilment.

The school will endeavour to:

- Teach effectively and set high standards in work and behaviour
- Provide a broad and balanced curriculum
- Develop each child's talents and potential as fully as possible
- Care for your child's safety and happiness
- Contact you if there is a problem or concern regarding your child
- Provide regular information regarding your child's progress and make suggestions about ways in which you can support your child's learning
- Be open and welcoming and offer opportunities for you to be involved in the life of the school
- Ensure that you are well informed about school matters e.g. key events and curriculum developments

Teacher's Signature:

Date:

Parents / Guardians I will endeavour to:

- Encourage my child to do his / her best at school
- Get to know about my child's life at the school and contact school if I have any concerns
- Provide school with information about circumstances that may affect my child's work or behaviour at school
- Support the School's policies and guidelines including behaviour (Code of Conduct)
- Ensure that my child attends school regularly and on time and provide information about absence
- Support my child in opportunities for home learning in line with the school's homework policy
- Attend open evenings to discuss my child's progress

Parent / Guardian Signature(s):

Date:

The Child. I will

- Always try to do my best
- Be polite and friendly and think about other people's feelings
- Look after the school and move around sensibly
- Be on time and have the right equipment for lessons
- Make sure that homework is done on time
- Give my parents all letters and communications from school promptly
- Talk to my teacher or another member of staff about things which worry me
