

Week Beginning 28th September 2026

This half-term our topic is 'Happy Children, Happy School'

Literacy

This week in phonics we will recap the sounds /s/a/t/p/ from last week and we will be learning the grapheme phoneme correspondence /i/n/m/d/. We will practise orally blending and segmenting the sounds in simple words. We will also practise forming the letter shapes.

Mathematics

Our number of the week is number 3. In our maths sessions this week we will be sorting objects into sets, exploring sorting techniques and creating sorting rules.

Understanding the World

We will be talking about where we live and the type of house we live in, looking back at our front door photos taken during our home visits.
