Dear Parents/Carers

Y4 Dance Festival – Tuesday, 1st December @ Cannon Medical Arena

As part of our membership of the POINTS PE Network, we have been given the opportunity for all Year 4 children to take part in a Dance Festival at the Cannon Medical Arena Theatre on **Tuesday, 1st December**. The children have begun lessons with external choreographers during their PE lessons at school and will create their own dance that is individual for each class taking part.

The choreographers will choose music to work with the children and will create the dances week by week using the children's input to shape both the moves and positioning of the children. They will be informing each class of what they would like them to wear for their performance; we have been assured that this will likely be a single colour/very simple and will not require parents to buy anything new for the performance.

We will travel to the Cannon Medical Arena via coach that will be partly funded by our Sports Premium funding, meaning the total cost of this event is **£5.10**. This is now set up on your ParentPay.

Due to the timings of the event, we will be leaving school around 12:10pm to travel to the venue. Please note: we only have a coach **to** the event. **Your child(ren) will need to be collected from the Cannon Medical Arena after the event.** Timings of the event will be given nearer the time, but should be around 3pm.

All children will need a packed lunch (NO NUTS) which will be eaten at school before we go. They will also need a refillable water bottle. We are not able to take any of the children's bags to the event so please ensure their lunch is in a disposable sandwich bag. Please do not send your child to school with any bags that day as they are not allowed at the event.

We will keep you updated regarding tickets to the event nearer the time, once we have heard from the external provider.

Yours sincerely

Year 4 Teachers
