Week Beginning November 9th 2026

This half term our topic is:

'Our Community and Celebrations around the World'

Literacy

We will be reading a book about Diwali and talking about the new information we find. We will using our Celebration photos this week, we will be talking about different celebration and writing some simple sentence. In phonics, we will recap the phonemes we have already learnt and we will be introducing the phonemes /ff/ll/ss/s saying /z/ and continue to practise reading the tricky words to, the, no, go and I.

Mathematics

Our number of the week is 8. Our focus for Maths this week will be mainly focusing on the numbers 4 and 5. We will continue to sing our 'days of the week' song and changing the day and date on our calendar.

Understanding the World

We will find out about Diwali the five-day festival of lights celebrated by Hindus and Sikhs around the world and talk about how it is celebrated.

Reminder – Polars and Pandas are doing PE on Wednesday and Koalas PE is on a Friday. Please send your child dressed in dark joggers or leggings, a school top and trainers.

Thank you ☺
