Children in Need – RunPudsey 2026 – Friday 13th November

Dear parents/carers,

We have signed up to support BBC Children in Need this year as a school and are going to challenge every child to run, walk or jog a circuit around the school grounds with different "bear themed" activities to take part at stations around the course. This will take place during the school day on Friday 13th November 2026.

The children will have 40 minutes to complete as many circuits of the route as possible – 3 laps = 1 mile is just a guide.

The whole route is on paved paths, so trainers will be fine. Please wear PE kit or something spotty (and maybe bear ears if you like) to take part.

The purpose is also to raise awareness and money to support various charities through the BBC Children in Need appeal. All donations this year are through our own school "landing page". Click on the link and you will then be able to "register" your child and start collecting donations/sponsorship.
https://www.runpudsey.co.uk/

Click on: **REGISTER TO TAKE PART**

Then: Register as a parent

Enter the school name: **Ecclesall Primary School** and the Unique school code: **135E**
You should then be good to go and all your fundraising will go towards our school total.

Any children "registered" on the official site will be sent a medal from Pudsey (delivered to school) so we can celebrate the children's achievements. Please note that ALL children will be taking part, even if you do not want them to raise money or be registered on this site. The emphasis is on fun and healthy activity as well as fund raising.

Many thanks in advance for all your support,

Guy Willatt
Deputy Head
