SMARTPHONE FREE CHILDHOOD

PARENT PACT

Want to wait to give your child a smartphone but don't want them to be the odd one out?

You're not alone! There's a growing movement of parents in Sheffield (and across Britain) who are choosing to wait to give their children smartphones. The Parent Pact is a way to join together with other families at Ecclesall Primary to agree to delay getting your child a smartphone until at least 14.

It's all about strength in numbers – if your child knows that other kids in their class won't be getting a smartphone for a few years either, the peer pressure dissolves. It takes 30 seconds to sign the Parent Pact – and you can see how many other parents at your school have signed on the live leaderboards.
